Sir,

I have the honor to submit herewith for the Chief Commissioner's order, Copy of a letter No: 83. of the 20th ult. April last with its enclosure from the Deputy Commissioner Shemoga District, relative to the maintenance of the tomb of Syed Saib situated in the village of Hungerray in the Nowledurg Talook.

2. The offerings made at the tomb by Hindoo as well as by Mahomedan pilgrims, amount annually to between 200 & 300 Rs, but owing to the absence of individual responsibility, the tomb is in a neglected state, and the funds were embezzled in one or two instances by the Moojavars (worshippers) appointed by the Village Community.—

The

The villagers therefore now seek the assistance of Government towards the proper management of the institution, and their prayer is supported by the Muzroi Officer and the Deputy Commissioner.—

3. I can find no recent instance of a fresh Inoozroi institution like the one under notice having been created but I see no reason why the wishes of the Petitioners should not be complied with, the tomb being taken charge of by the Inoozroi Department and expenses provided for from its own funds.—

Sir,

I have the honor to forward the accompanying letter in original and its enclosures, received from the Assistant Commissioner Mr. Bintury in charge of Moogoy, for your information and sanction of the establishment therein proposed for the care and maintenance of the Tomb therein alluded to, under the Moogoy rules by placing the whole affair under the management of the Amildar -

No 61. dated 24th February 1875.

2. It appears that there is no individual specially responsible for the money collected from the people who occasionally

resort from religious motives in large numbers to the tomb: which is said to be of an eminent and renowned Mahomedan named Seyed Saib. The collections are consequently made by individuals nominated by the common consent of the Villagers from among their own people. These individuals also manage other matters connected with the tomb

3. The money annually collected in this amounts to 2 or 300 Rs

4. It will be seen from the Canarese urzee from the inhabitants of Sirgerry and Hungerry Villages to which the tomb is attached that on one occasion certain sums of money collected in this were misappropriated by one Baoden Beg and Booden Bee the Moozawar who were punished by the Deputy Commissioner

vide criminal case No 32 of 1872.

5. It appears from the record of the case that property in silver to the value of Rupees 4433 was forthcoming in that case up to 1872, exclusive of the sum defrauded. This sum has been further augmented by subsequent offerings.

6. I therefore request that the establishment of the servants mentioned in the Assistant Commissioner's letter may be sanctioned.

To The Secretary to the Government of Mysore
Muzrey Department

Sir,

With reference to your official memo no 453 of the 19th September 1895 forwarding for report the petition of certain residents of Ayanur and other villages praying that Syed Saib's Durgah at Anageri in the Sirthalli Taluk may be taken over by the Muzrey Department for management as its funds are being misappropriated, I beg to state that the Durga is not in any way endowed by Government. It is purely a private concern. When in 1875 a similar request was made, the late Chief Commissioner, in his Secretary's letter no 5957/G-128 of the 21st October 1875 to the address of the Commissioner of the Nagar Division, declined to grant it. If the funds of the Durga are misappropriated, it is for the parties concerned to take legal steps in the matter.

2. The petition received with the memo under reply is herewith returned.
